MONASH UNIVERSITY FOUNDATION YEAR (MUFY)

2026

OFFERED AT SUNWAY COLLEGE KUALA LUMPUR
AND SUNWAY COLLEGE JOHOR BAHRU

YOUR ROAD TO MONASH STARTS HERE

Prepare for success at Monash University with direct entry into all our undergraduate degrees.

The Monash University Foundation Year (MUFY) is a pre-university program with proven success in preparing students for Monash University. As a MUFY student, you'll develop your academic and English skills to the level expected of Monash students, while studying subjects that prepare you for your future undergraduate course.

Our supportive environment and dedicated teaching and support staff will guide you each step of the way, helping you to achieve your academic potential.

“MUFY seamlessly integrates into the curriculum at Monash. Through MUFY, I learnt a lot about time management, honed my skills and pushed my boundaries through various assessments and interactive sessions. I was also privileged to be a part of a student council which was an enriching life experience. In short, MUFY has the best of both worlds: challenging me academically while balancing it with an array of fun extracurricular activities.”

MATTEUS LIM ZHEN CHIEN

Bachelor of Medical Science and Doctor of Medicine
MUFY Student Council President 2018
MUFY Valedictorian 2018
JPA Scholar

“MUFY was a whole new adventure for me where I had the chance to be a part of a diverse community. This exposure definitely helped me to improve my social and communication skills. I also love how MUFY isn't just a program that focuses on academically related activities but sports and charity events as well.”

ALIA QAMELIA

Bachelor of Electrical and Computer Systems Engineering (Honours)
JPA scholar

SIX REASONS TO CHOOSE MUFY

PATHWAY TO A PRESTIGIOUS UNIVERSITY

MUFY is your direct pathway to Monash University – a premier research-intensive Australian university ranked among the top 50 universities in the world¹ and a member of Australia's prestigious Group of Eight.

SEMESTERISED STUDY MODE

You'll complete half of a subject (Unit 1) in Semester 1 before taking the second half (Unit 2) in Semester 2. This means you won't be facing the pressure of preparing for a single and final examination at the end of the program.

RECOGNISED WORLDWIDE

The MUFY qualification isn't just recognised by Monash – other universities in Australia, New Zealand and the UK do too. In Malaysia, branch campuses of foreign universities and private universities will also accept MUFY graduates.

FLEXIBILITY TO IMPROVE

You can spend just a semester retaking units to improve your overall university entry score and achieve better results². There's no need to repeat the entire program, which a non-semesterised pre-university program would usually require.

BROADLY STRUCTURED

A discipline-specific program such as a foundation in engineering will prepare you specifically for undergraduate studies in engineering. With MUFY, your options are unlimited. You'll have a broad pathway to any university course of your choice.

SCHOLARSHIPS

As a MUFY student at Sunway College, you can apply for a range of academic and extracurricular scholarships. Monash also awards scholarships to high achievers.

¹ QS World University Rankings 2026

² For international students, this is subject to student visa approval.

AN EXCITING LEARNING EXPERIENCE

Students from more than 40 countries have chosen MUFY. As a MUFY student, you'll be immersed in a wholesome pre-university education environment, which nurtures academic excellence, self-development, leadership abilities and effective social skills. You're highly encouraged to not just excel in your studies, but to also participate in the exciting range of extracurricular activities occurring on campus all year round. Some popular events led by our students include:

- sports and talent competitions
- carnival fundraisers
- recreational and educational field trips
- financial and digital literacy workshops
- motivational workshops and camps
- community projects.

BE SUPPORTED

From providing general guidance to specialised support, we're here to help you make the most of your student experience. Our teaching and administrative staff are always available to offer academic guidance, and if you need personal counselling, our qualified counsellors can help you through difficulties.

JEFFREY CHEAH ENTRANCE SCHOLARSHIP

If you've achieved excellent results in your Sijil Pelajaran Malaysia (SPM), Cambridge O-Level, or Ontario Secondary School Certificate, you're eligible for the Jeffrey Cheah Entrance Scholarship.

The quantum awarded varies from partial to a full scholarship, depending on your results from these examinations.

MORE DETAILS**

“MUFY was a whole new chapter in my education. It helped me lay a solid foundation of skills to cope with my studies at Monash, and I love how the course is structured – not just academically, but also with extracurricular activities that built my confidence and social skills. I wouldn't hesitate to recommend MUFY as the experience proved to be invaluable.”

RAJIV MARTIN

Bachelor of Business and Commerce

WHAT YOU'LL STUDY

We have 12 subjects for you to choose from. Each subject is offered in two parts:

- Unit 1 introduces you to the subject area and key themes
- Unit 2 expands your knowledge and understanding.

To successfully complete this program, you must pass a minimum of eight different units:

- Units 1 and 2 of English (compulsory subject)
- Units 1 and 2 of at least two other complete subjects
- Units 1 and 2 of a complete subject or any two Unit 1 subjects.

STANDARD INTAKE*

FOUR UNITS (SEMESTER 1)

FOUR UNITS (SEMESTER 2)

*You can choose to take on additional units, limited to five per semester or 10 throughout the duration of the program.

ASSESSMENTS

Assessments take place throughout the two semesters to provide regular feedback on how you're progressing with your learning, your strengths, and areas that need improvement. The way you are assessed may be a combination of tests, research projects, assignments, seminars, presentations and reports. Coursework makes up 100 per cent of your final mark.

CALCULATING YOUR MUFY UNIVERSITY ENTRY SCORE

The MUFY university entry score is an average score that is stated over 100. It's calculated by adding up the individual score obtained from all eight units and dividing that total score by eight. If you pass a ninth or 10th unit on your first attempt within two semesters, you're eligible for bonus points.

Contemporary Issues²	MUF0151 Contemporary Issues Unit 1	MUF0152 Contemporary Issues Unit 2

² These units are only offered at Sunway College Kuala Lumpur.

LEARN DIGITALLY

MUFY adopts a learning approach which combines face-to-face instruction with self-directed learning delivered on an e-learning platform. To cope with this learning approach, you're required to have your own laptop which runs on Windows or Mac OS in English. The laptop used should also come with a built-in front-facing camera, microphone and speaker.

Students taking Fundamental Mathematics, Mathematics, or Advanced Mathematics are also required to have a graphing calculator (Texas Instruments model TI-84 PLUS CE Python edition).

ENTRY REQUIREMENTS

Academic	Passed SPM, O-Level or equivalent with minimum five (5) credits and met Monash's English language requirement ¹ . <small>¹ SPM English or O-Level English as a Second Language: Minimum Credit, or O-Level English as a First Language or English Literature: Minimum grade D; or IELTS: Minimum overall score of 5.5 with no band less than 5.0 or equivalent.</small>
Age	16 years
Citizenship	Australian and New Zealand Citizens If you hold Australian or New Zealand Citizenship or Australian Permanent Residency you are not eligible to apply. If you hold temporary resident status in Australia or permanent resident status in New Zealand you are eligible to apply for the program. If you are granted Australian Permanent Residency after you enrol in your Foundation Year program, you may complete the program, however entry into Monash University is not guaranteed. After successfully completing your Monash College program and if you wish to apply for an undergraduate place at Monash University, you will need to apply through the Victorian Tertiary Admissions Centre (VTAC) to compete for a Commonwealth Supported Place (CSP) at Monash University.

INTAKES

You should complete this full-time program in two semesters.

Standard Intakes	Semester 1	Semester 2
January	January – May	July – November
July	July – November	January – May
August	August – December	January – May
